"A favorite song of the band is "A Lil' Boukou in Your Cup." Listening to the groovy song you'll agree that as far as funk goes, "[They] got just what you need, too much is never enough."

I am a SUCKER for funk and New Orleans style music. Which is why Boukou Groove is right up my alley. Now when they say they've played at numerous festivals and clubs nationwide they aren't kidding. These guys definitely have an impressive resume. Now you get to enjoy them for yourselves. I know I've been enjoying them and now I can't wait to see them live! Being in radio, artists from all over the world contact me about their new releases. Boukou Groove are the ONLY artist where it went the other way. Where I was asking THEM for new material. The new single "Ain't No Lie" is pure Boukou Groove! I love this band.

They are truly the REAL DEAL.

Listeners email me every time I play a Boukou Groove track.
